

# Jose Fernando Villagra Caero

Bachelors /Marketing and Advertising

I am a person that aims to put into practice all the knowledge I have acquired in my professional and work training. I am a versatile, communicative, concrete and motivating person. I believe that teamwork should generate synergy to be efficient. I plan measurable strategies to change things and that this improves future performance. I believe that discipline and perseverance are the basis of stability. My training has taught me to generate proposals, ideas and tools to improve tasks, optimize resources, everything to improve my environment.
