

Yosia Joshua Zimbe

Masters /Business Administration

I am development professional with veterinary and rural development training background. I hold a degree in Veterinary medicine and Masters in Livestock Development, Planning and Management. I am also a certified PMD Professional and pursuing Master of Business Administration (M.B.A.) with Atlantic International University (AIU)-USA. I have researched in social-economic impact of livestock projects on rural livelihoods, business oriented and demand driven extension systems in dairy farming systems in East Africa. I have worked with and managed livelihood development projects and programs including the East Africa Dairy Development Project (EADD II) funded by Bill and Melinda Gates Foundation, Irish Aid funded Climate Smart Project for Food Security among other projects.
